**Three ways to get from Orlando International Airport to Crane Institute:**

- FAST** 1. State Road 528 east to State Road 417 north (3 tolls totalling \$3.25) to Exit 54 at Rinehart Road, Sanford; see Inset #1.
- SLOW** 2. State Road 436 north to State Road 408 west (1 toll of 75¢) to Interstate 4 east to Exit 101A or 101BC; see Inset #1.
- SLOW** 3. State Road 436 (Semoran Boulevard) north to Interstate 4 eastbound (no toll) and on to Exit 101A or 101BC; see Inset #1.

## When driving on State Road 417 Northbound:

We suggest you take Exit 54 to Rinehart Road, northbound. Turn right at State Road 46. See Inset #2.

## When driving on Interstate 4 Eastbound:

If you take:

### Exit 101A, onto State Road 46A

Exit to the right and then turn right onto eastbound State Road 46A (formerly Paola Road, now the H.E. Thomas Jr. Parkway). In a few hundred feet you will reach the traffic light at **Rinehart Road**. Go straight. You will pass a large cemetery on the right.

When you reach the next traffic light at **Via Albina** (not shown on this map), don't turn – keep going straight. Proceed to the next traffic light at **Upsala Road** and **turn left** (north).

If you take:

### Exit 101BC, for State Road 46 or State Road 417

Exit 101BC is just half a mile past Exit 101A! Exit off the right. In about half a mile this will split into two exits: 101B (to the right) and 101C (left two lanes).

We suggest you **take Exit 101B to State Road 417**. You then drive east barely a mile and take **Exit 54 (Rinehart Road)** to the right. When you reach the traffic light to enter Rinehart Road, turn right (northbound). Proceed past the next traffic light to **St. Johns Parkway** and turn right to head east. See Inset #2.
