

The Standard in Crane & Rigging Training

# Steps to CIC Accredited Mobile Crane Operator Certification

## Step 1. Select Telescoping and/or Lattice Boom Crane Type(s) and Capacity Level(s):

Please select the Type and Capacity Level Certifications that you require. The cost for the General Knowledge exam and (1) Type and Capacity Level written exam plus (1) Practical Operating Exam is **\$880** per operator. Add \$20 for each additional Type & Capacity Level written exam.

**All prices include the required General Knowledge Exam and (1) Practical Operating Exam**

**1 Type & Capacity Level**

**\$880**

**2 Type & Capacity Levels**

**\$900**

**3 Type & Capacity Levels**

**\$920**

**4 Type & Capacity Levels**

**\$940**

**Type and Capacity Levels to Choose From:**

Telescoping Boom Crane  
(Up to 21 Ton)

Telescoping Boom Crane  
(21 to 75 Ton)

Telescoping Boom Crane  
(Over 75 Ton)

Lattice Boom Crane  
Carrier & Crawler

**Candidates are only required to take (1) Practical Operating Exam.  
(Largest capacity level for which you are applying)\***

## Step 2. Select a Date:

- See Program Schedule for CIC Exam dates, which immediately follows the Mobile Crane Operator 4-Day prep training course in Orlando, Florida.

## Step 3. Call 407-322-6800 to Register!

**\*Some states may have additional requirements, e.g., the state of Pennsylvania requires a practical operating exam on each crane certification.**
